

## **CHAPTER 7**

### **STOCKBRIDGE-MUNSEE TRIBAL LAW YOUTH CODE GENERAL PROVISIONS**

#### **Section 7.1 Council Findings**

(A) Recognizing that there is no resource that is more vital to the continued existence and integrity of the Stockbridge-Munsee Community Band of Mohican Indians than its children, the Stockbridge-Munsee Tribal Council finds:

- (1) That Art. VII, Sec. 1 (f) of the Stockbridge-Munsee Community Constitution and By-Laws (approved 11-18-37) which states, in part: "To promulgate and enforce ordinances, subject to the approval of the Secretary of the Interior, governing the conduct of members of the Community; ...and establishing proper agencies for law enforcement of the Community; ..." authorizes the creation of a Children's Court; and
- (2) That Indian families are often broken up by the unwarranted removal of their children from them by non-tribal public and private agencies and that an alarmingly high percentage of such children are placed in non-Indian foster and adoptive homes and institutions; and
- (3) That the States exercising jurisdiction over Indian child custody proceedings have often failed to recognize the essential tribal relations of Indian people and the cultural and social standards prevailing in Indian communities and families; and
- (4) That the Stockbridge-Munsee Community needs a recognized Children's Court system to insure that off-reservation courts will be willing to return children of the Tribe to the Stockbridge-Munsee Community for care and guidance; and
- (5) That the children of the Stockbridge-Munsee Community must receive, preferably in their own homes, the care and guidance needed to prepare them to take their places as adult members of the Stockbridge-Munsee Community; and
- (6) That the Stockbridge-Munsee Community has a direct interest in protecting Indian children who reside or are domiciled on the Stockbridge-Munsee Reservation irrespective of blood quantum; and
- (7) That the Stockbridge-Munsee Community, must protect and preserve the essential tribal relations and cultural heritage of its children consistent with the best interests of the children: and
- (8) That the appropriate means of addressing these concerns is through the passage of a child welfare ordinance under the title Stockbridge-Munsee Tribal Law, Youth Code.

## **Section 7.2 Purpose and Construction**

(A) Council Declaration of Purpose: This Code shall be interpreted and understood to accomplish the following tribal objectives:

- (2) To protect and preserve the identity and pride of the young Indian people of the Stockbridge-Munsee Community as American Indians;
- (3) To provide a simple procedure for addressing and resolving conflicts involving Indian youth that is reflective of tribal traditions as well as the prevailing community standards, and which affords all affected persons a fair and impartial hearing, consistent with individual rights;
- (4) To insure that off-reservation courts will be willing and able to return young people of the Tribe to the Stockbridge-Munsee Community for care and guidance;
- (5) To insure the continued existence of the Tribe by protecting against the unwarranted removal of Indian children from their families;
- (6) To establish a Youth Court that shall protect the child's interest by choosing a course of action that least restricts the child's freedom and best promotes the child's health, safety, welfare and tribal identity consistent with the interests of the Stockbridge-Munsee Community;
- (7) In situations where it is not possible to maintain family unity, to find the next best alternative, mindful of the child's tribal heritage and cultural background, as well as other special needs;
- (8) To insure the care, protection, and wholesome mental and physical development of all Indian children of the Stockbridge-Munsee Community;
- (9) To respond to children's needs for care and treatment through community based programs;
- (10) To provide the children with and assure the availability of preventive services, accountable case planning, and other social services designed to preserve and/or reunify families;
