

## Tribal Referral List January 2006 (2nd Edition)

It is the collective goal of Northwest Indian Bar Association and Washington State Bar Association Indian Law Section to help Native and non-Native people who have legal disputes arising out of Indian Country, to receive assistance from lawyers and access to justice in our tribal and state judicial systems. The Tribal Referral List was created to help identify Lawyers who are familiar with Indian legal issues and tribal court practice, and willing to help. This list will be updated and distributed to tribal lawyers, judges and community members twice a year. If you are a lawyer who would like to be listed in the next publication of this List, please email Gabe Galanda [ggalanda@wkg.com](mailto:ggalanda@wkg.com) with the types of information outlined below.
