Dear Tribal Leader and Early Childhood Program Coordinator,

We want to make you aware that a portion of the IDEA Part B and Part C funding is currently on hold.

At this time, we do not have an anticipated release date for those funds. We understand the importance of these resources to your programs and are actively monitoring the situation.

Please be assured that we will keep you informed of any update and will notify you immediately once the funding has been released and is available for distribution.

We appreciate your patience and understanding as we work through the temporary delay. If you have any further questions, please do not hesitate to contact our office.
